# ICFF ART SHOWCASE CALL FOR ENTRIES!

We are excited to celebrate the 15th year of the Seattle International Children's Friendship Festival. We would like to invite all children to join our 9th Art Showcase.

ICFF is Pacific Northwest's one and only, most culturally enriching festival for children! Our vision is a peaceful future where all children of the world respect, appreciate, and enjoy the diverse cultures of each other. To fulfill our vision, we are creating opportunities for children to experience different cultures through art, music, folklore, and cultural displays. During the festival, children share their artistic talents with other children. The art showcase will be open to the public during the festival hours. There will be public voting for the artworks in their own categories.
